RESPONSE TO INTERVIEW SUMMARY

Sir:

In response to the follow-up summary mailed on December 3, 2003, Applicants in general agree with the summary except that the language of the proposed claims discussed during the interview still read upon the Scott reference under 35 U.S.C. §102 or §103. However, that point is relatively moot because the actual claims and remarks in the response filed on November 14, 2003 reflect Applicants' position. Applicants wish to thank Examiner Le and Examiner Luu for their time.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
